Points of Stillness Attendance and Cancellation Policy

Points of Stillness strives to provide exceptional care and the highest quality of services possible for all clients. In order to do so, regular attendance is necessary to establish a positive treatment routine and to build and maintain skills. Inconsistent attendance hinders achievement of goals and prevents clients from receiving the full benefit from therapy. In order to encourage consistent attendance, Points of Stillness has established the following policy:

CANCELLATIONS: We understand that due to illness or other unexpected events it may be necessary for you to cancel a therapy appointment.

· Notice is expected prior to the appointment, and at least 24 hours' notice is requested.

· It is your responsibility to notify/call the front desk as soon as possible if you need to cancel a therapy appointment and provide a reason for the cancellation.

· Please notify the clinic at least two weeks prior to vacations or other planned obligations that will result in missing a scheduled treatment session. Please review our travel policy for additional information.

· Excessive cancellations (more than three appointments within two months) may result in the loss of the client's treatment spot, discussion about finding an alternate appointment time and/or placement on a waiting list. Extenuating circumstances will be taken into consideration.

NO-SHOWS: A no-show is defined as failure to give notice prior to missing an appointment and failure to attend the scheduled appointment.

· Two no shows may result in the loss of the client's treatment spot. Extenuating circumstances will be considered.

PUNCTUALITY: We ask that clients consistently arrive on time for all scheduled appointments in order to receive the optimal benefits from therapy.

· Please arrive no more than five minutes early for each session and notify the clinic if you are going to be arriving late.

· If your child is attending therapy, you are required to be here at least five minutes prior to the end of the scheduled session.

· Punctuality for appointments allows adequate therapist/patient interaction. This also gives us time to report outcomes to parents and disinfect therapy spaces.

· Frequent tardiness for drop off and/or pick up (more than 10 minutes late) may result in loss of the client's treatment spot.

High levels of cancellations or missed appointments may adversely affect therapy progress and success at therapy. We value your time and the time our therapists devote into preparing for and implementing each session. Consistent attendance helps honor the collaboration between clients and therapists and highlights the combined effort required to achieve therapeutic goals. Your signature below indicates your understanding of this policy and your commitment to receiving the full benefits of therapy.
